Good morning – unfortunately the 3rd (or any other day that week) won't work. How about the 8th at 2:30 p.m.?

Hi Christina,

Thank you for the quick response. Looks like Jared will need to appear in person for his jury duty on 11/30. To be on the safe side, would December 3 work?

Dear Christina,

The US Environmental Protection Agency, Region 9, in close coordination with the NDEP, has been engaged in cleanup work at the abandoned Anaconda Copper Mine, near the City of Yerington. My Regional Administrator Jared Blumenfeld would like to have a face-to-face meeting with Governor Sandoval in early December to discuss further actions that are needed under the federal Comprehensive Environmental Response, Compensation and Liability Act to advance the cleanup work.

I was given your name as the contact for arranging the meeting. Please let me know if you need additional information or would advise additional contacts.

I look forward to hearing from you.
